For the past decade, I have been selling wine to some of my closest and most discriminating friends. I have been able to find wines that are not only delicious but often times from unfamiliar producers, “**great finds.**” The best part of all is the price: your cost is wholesale plus 18% (15% if paying with cash or a check). I am typically able to offer incredible deals from my suppliers. I find deals on “multiple case buys” that lower the price below the normal wholesale price, even after adding the 18% fee. You gain the benefit of my tasting over 1,500 wines every year, picking my favorites and offering great buys. I pick the best wines at the best prices to offer my restaurant guests and I will do the same for you!

If you are a wine lover interested in great wine at great savings, then consider signing up and ordering your wines through The Wine Tailor. Please ask for a sign-up sheet with our hostess and begin saving and enjoying the best wines in the world. As many will tell you, wine is my passion, so give me a try, you won't be disappointed.

Cheers,

John H. Worthington
